Hi Megan! There is a mistake on this case ... the bail that was posted should have covered the fines and fees on this case. This means that the case should not be at collections. I expect that staff will remedy this situation by cancelling this case from collections shortly. Thanks! :-))jmt

Hi Jeanne,

Sorry we missed each other last Friday! I hope you had a wonderful Labor Day weekend ☺.

I will give you a call later today and hopefully we can connect and discuss some additional information we need on a debtor placed with us:

1DTA-11-03671
Placed 7/2/2013
Phone #808-864-4957

Can you confirm how you received the phone number (i.e. debtor citation, etc.)? Are you also able to provide a copy of the actual citation?

Thanks for your help! Hopefully we can connect later today and I can give you more details on why this is needed.
